The WWOCN Scholarship Fund supports several specific awards to assist Wisconsin women of color with educational resources, health care, social services, and political participation.

These scholarships promote leadership, cross-cultural awareness, and economic well-being, enriching the lives of recipients, their families, and communities. Our goal is to assist women in their pursuit of education, employment, and economic independence.

The fund includes:

- Mable Smith Memorial Scholarship: For students pursuing a two-year technical, occupational, or industry-related degree.
- Cammer-Hill Grant: To assist students with expenses not generally covered by other scholarships.
- Hattie J. Hilliard Award: For students interested in pursuing a career in the arts.
- Future Leaders Fund: To enable middle and high school students to participate in educational opportunities focusing on communication, fellowship, and leadership development.

Our funds are designated for Wisconsin residents planning to attend accredited Wisconsin vocational and technical schools.

A silent auction featuring donated merchandise and services will be held. Vendors will also be available, offering items perfect for holiday shopping.

The public is invited. Admission is free for shopping and bidding on the Silent Auction. However, reservations are required to attend the brunch.

WWOCN is a tax-exempt charitable organization under Section 501(c)(3) of the Internal Revenue Service Code. Donations to the Fund are tax-deductible as allowed by law.
